Name * *[Must be Same Name as on Matric Card, not alias]*	**NTU E-mail ID *** *[exclude '@ntu.edu.sg']*	***Home Directory*** ***[To complete by the Administrator]***
Team Leader		
Team Members		

DETAILS OF GPU RESOURCE ASSIGNMENT [To complete by the Administrator]

Name of UNIX Group	
Pathname of Group Share Folder	
Quota (GB) for the Group Share Folder	
QOS	
Remark	

***Require Input, must not leave blank**

Terms and Conditions for Semestrial Project Applicants

1. To apply for the access to TC1, you have to complete this form and submit via email to ***CCDS Undergrad GPU Resource Support*** [*ccdsgpu-tc@ntu.edu.sg*]. All inputs with * must be completed for valid application.
2. The project group size can be ranging from min 1 till max 5 members.
3. All users will have individual home folder of disk quota at least 100GB.
4. The share folder (to facilitate data sharing) will only be assigning to group with at least 2 members. The disk quota of the share folder will be [Number of members]*100GB.
5. All users will be assigned with the default QoS assigned with only one GPU Card for computation. Not applicable to request for additional QoS and resources.
6. The user must deploy CONDA to setup own environment and applications. TC1 will not provide the support for application installation and coding issue.
7. There are NO backups service provided. The users are responsible for protecting own data.
8. The assigned data folders and QoS will be removed right after the usage expiry, with no prior notification.
9. The users are not allowed to access directories other than own assigned Home and Shared folders. Unauthorised access to other directories or files, even for the purpose of "browsing", shall be deemed as a security breach.
10. The GPU Resources are to be used for academic purposes only. Use of resources for a purpose other than that for which they were granted will result in the termination of account. The activities carried out in TC1 may be intercepted, monitored, recorded and inspected by authorised personnel. Unauthorized or improper use of the service may result in administrative disciplinary action, civil and criminal.
11. For technical issue, the user may drop an email to ***CCDS Undergrad GPU Resource Support***.
